

# TRADE MASTER

Introducing the Money Zone 2.0 Trade Master Series—our most robust educational offer ever for a trading module! This series includes two powerful presentations: the Money Zone Strategy Workshop, Profiting in the Zone, AND our Trading in the Zone webinar (see page 10)! This is an educational powerhouse that takes you from Money Zone novice to Money Zone Master.

## THE MONEY ZONE STRATEGY WORKSHOP

*The Money Zone Strategy Workshop* is a master class in strategy design. Jeff Drake, Nirvana Systems Director of Trading Technology, presents the inner workings and application of the Money Zone strategies. But this is more than a Money Zone seminar. Jeff will also

show you how to use the powerful tools in the Money Zone Module to enhance any trading strategy.

This workshop provides extensive insight into the design of the new Money Zone systems and strategies. Many new settings have been added to the Money Zone 2.0 Module, and Jeff will discuss each setting in detail and show you how these settings are used to find the perfect Money Zone trading setup. **The comprehensive knowledge that you will gain from this presentation will allow you to trade these strategies with confidence and precision.**

Even though this seminar is focused on the Money Zone components, the education provided here will help you with any and all aspects of strategy development. Jeff will show you a number of the techniques used by Nirvana when creating a strategy.

Never before has Nirvana Systems provided such extensive education as is now available in *The Money Zone Strategy Workshop*.

## PROFITING IN THE ZONE

Advanced Trading Techniques with the Money Zone Module

Frank Ochoa, Nirvana Systems Senior Market Analyst, has spent years applying the concepts around the Money Zone to his daily trading. In this seminar, Frank will show you how these tools can be used to extract profits from the market on a consistent basis. **This is the seminar you need to successfully trade the**

**Money Zone in ANY market and ANY timeframe.**

*Profiting in the Zone* has one central theme—how to use the Money Zone Module to make money! Frank shares his extensive knowledge of this module with you so that you can be sure that you are on the right side of the market. He will also show you how to identify overvalued and undervalued areas that offer the best entries.

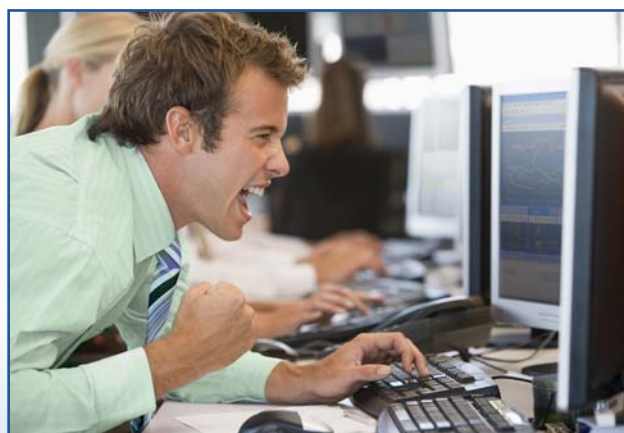

One of the most powerful applications of the Money Zone levels is to use levels from multiple timeframes in order to find trading opportunities with the highest probability for success. With the new tools in Money Zone 2.0, Frank will walk you through the process of setting up your charts so that you can easily find confluence of these levels. Armed with this information, you will be able to easily identify the best trades in any market.

These are only some of the topics covered in this comprehensive trading seminar. The Money Zone Module is a powerful tool. The *Profiting in the Zone* seminar gives you the knowledge you need to turn this powerful module into a profitable tool!
